Dear Parent/Carer,

Return to school

It has been wonderful to welcome back so many more children to our school in addition to our key worker children. The children who have come back to school have been excellent, very sensible and following the social distancing rules. I would like to thank the children for being so well behaved, considerate and enthusiastic. I would also like to extend my thanks to our parents and carers, who have followed the timetables and processes rigidly and again, helped to make the school return to school run as smoothly as possible! If your child has not come back to school, please do not worry, teachers are still uploading work onto HWB classes/Seesaw. If you are struggling to access any of these resources, please get in touch with the school office or the class teacher and we will be able to help.

September

Understandably, we have had queries from parents over the past few weeks, enquiring about the arrangements for schooling in September. I am afraid that, as with the ECS, we are still awaiting guidance from Welsh Government. Announcements have been made by other countries in the UK, so we are hoping that decisions will be made and shared with us soon. Until then, I can only apologise for the delay in information, and thank you for your continued patience.

Emergency Childcare Setting (ECS)

We continue to operate the ECS daily, between the hours of 8.30am and 3.30pm. We will continue to do so, up until the end of term, which is Friday July 17th. We have not yet received any guidance from the Local Authority to indicate what will happen to the childcare after this date. Collectively, schools are pushing the Local Authority for urgent guidance. As soon as we have more information, I will share it with families immediately.

Year 6 Leavers

On Friday 17th July, we would like to invite our Year 6 pupils to attend school from 11:00am - 2:00pm. We are hoping to share the 'Leaver's Movie' and celebrate their final day at Grange together.

Reports

End of Year Reports will be released next week. Pupils who are attending school will receive a hard copy whilst pupils at home will have their reports emailed to parents.

Many thanks for your continued support.

Best wishes,

K. Hurley
