Red Community Project

Red Community Project have funding from Swansea Council to run a free playscheme for Primary school aged children in West Cross.

They will be running the Linden Summer Playscheme between 10am and 12noon Monday to Wednesday during the first two and last two weeks of the school holidays. Sessions will alternate between games/craft activities at the Linden Christian Centre (Elmgrove Road) and forest-school type activities at outdoor locations in the locality. Children will need to have an adult attend with them- we are not providing childcare, but rather opportunities for creative play.

Further details and booking of places (free of charge) can be found at
